

PROGRAMS

What's there to do at Pearlstone? The sky's the limit! Our gathering has been designed for the young and young-at-heart alike, so expect to have your days filled with lots of fun and enriching things to do! *Caution: Your kids might have more fun than you do!* In addition to three latihans (thank you, National Helpers!) and plenty of testing each day, here's a taste of what's to come:

Pack that swimsuit for an afternoon dip in your choice of three pools. (Take Note: there WILL be a water volleyball game.) And how about that super slide pool?

Is that a butterfly on your nose? Might be, because one morning we'll take a tour of the nearby **Irvine Nature Center's Butterfly House**. Pearlstone will pack us off in style with a sack lunch, and we'll hike around the grounds and enjoy a picnic before our butterfly tour.

Take the **Farm Tour** and meet the Pearlstone animals while you learn about sustainable agriculture.

Can you canoe? Check out the pond for a delightful afternoon of **canoeing and paddleboating**. Meanwhile, landlubbers can take a whirl on the ingenious **Blender Bike** as we harness pedal power to make mouth-watering pesto from herbs we gather on-site.

No need to "zip it" on this **Zip Line!** Fly through the air and over the pond with the greatest of ease, an experience you're sure to remember for the foreseeable future!

Night owls will appreciate the **nightly campfire**. Bring your guitar and repertoire of camp songs and sing along with us under the stars. We'll also bust out our best marshmallow-roasting skills and create some amazing s'mores.

Love to shop? Our **Subud Art Gallery/Gift Shop** will be back again in superlative style. Not to mention the incredible **Silent Auction** organized by the stellar Sonya Shooshan. Got something for the art gallery/gift shop? [Complete this form!](#) If you would like to donate an item to the Silent Auction, please contact Sonya Shooshan at sonya.shooshanATyahoo.com.

Speaking of incredible offerings, don't be shy! Let's **Share Our Talents!** Do you have a workshop/performance/ brilliant idea you would like to share at the Gathering? Just [fill this out this form](#) and we'll be in touch.
