

FAQs: LODGING/PROGRAMS FOR FAMILIES

We are very excited to welcome families to Pearlstone for the 2017 National Gathering. Here's what you need to know if you are bringing kids (and we really hope you will!)

Will my kids be supervised?

Yes. Children under 14 must be supervised by an adult at all times while on the property. (Not only is this our requirement, it is also Pearlstone's.) While that responsibility is left up to parents after 5pm each day, we will provide adult supervision during the morning and afternoon sessions from Saturday through Monday.

Will there be programming for my kids? Can adults participate?

Yes! We're offering youth programs for children that will run parallel to the daytime latihan and kejiwaan activities on Saturday through Monday. Your children will spend the morning doing a variety of fun activities (we've included a list of some of the great things happening during our Gathering) and then meet you for lunch. During the afternoon session, we'll take the kids to the pool (there are actually 3 pools, all with lifeguards and one with an amazing slide!) Adults are always welcome to join in the fun with their kids!

How much do the youth programs cost?

Great news... This year's event is **all inclusive!** That means that after you register and pay for yourself and your kids, everything is included – all lodging, meals and programs. We really do want this to be "Easy Peazy!"

How do I register my family? Do I need to register my kids?

Because we are planning such a comprehensive program for kids this year, it's imperative that you register all children attending the event. At the beginning of the registration process, you'll be asked for the name and age of your children. This is so we can plan age-appropriate activities. You will still need to complete a registration form for each child (see below).

Here's how you can register your entire family (one at a time) in one NEON session.

When you log in and begin the registration process by filling in your name, be sure you check the box at the bottom of the page that says "include myself as an attendee."

Children will automatically be placed in the room with their parents, so you only need to choose the type of accommodation that you want for adults. (Children 13 and over should be registered as adults.)

Orchard Guest Rooms have a maximum occupancy of five in three beds, and adjoining rooms are available.

Fidler’s Grove Cabins have 2 bedrooms, each with one twin and one bunk bed (total of three beds per room) and a loft with three additional twin beds. These cabins have a microwave, mini-fridge, sitting area and bathroom.

PROGRAMS

What's there to do at Pearlstone? The sky's the limit! Our gathering has been designed for the young and young-at-heart alike, so expect to have your days filled with lots of fun and enriching things to do! *Caution: Your kids might have more fun than you do!* In addition to three latihans (thank you, National Helpers!) and plenty of testing each day, here's a taste of what's to come:

Pack that swimsuit for an afternoon dip in your choice of three pools. (Take Note: there WILL be a water volleyball game.) And how about that super slide pool?

Is that a butterfly on your nose? Might be, because one morning we'll take a tour of the nearby **Irvine Nature Center's Butterfly House**. Pearlstone will pack us off in style with a sack lunch, and we'll hike around the grounds and enjoy a picnic before our butterfly tour.

Take the **Farm Tour** and meet the Pearlstone animals while you learn about sustainable agriculture.

Can you canoe? Check out the pond for a delightful afternoon of **canoeing and paddleboating**. Meanwhile, landlubbers can take a whirl on the ingenious **Blender Bike** as we harness pedal power to make mouth-watering pesto from herbs we gather on-site.

No need to "zip it" on this **Zip Line**! Fly through the air and over the pond with the greatest of ease, or maybe the **Adventure Ropes Challenge Course** is more your speed. Either way, you're sure to remember the experience for the foreseeable future!

Night owls will appreciate the **nightly campfire**. Bring your guitar and repertoire of camp songs and sing along with us under the stars. We'll also bust out our best marshmallow-roasting skills and create some amazing s'mores.

Love to shop? Our **Subud Art Gallery/Gift Shop** will be back again in superlative style. Not to mention the incredible **Silent Auction** organized by the stellar Sonya Shooshan. Got something for the art gallery, gift shop or auction? Complete this form!

Speaking of incredible offerings, don't be shy! Let's **Share Our Talents!** Do you have a workshop/performance/brilliant idea you would like to share at the Gathering? Just fill this out this form and we'll be in touch.

...Not to mention **Trivia Night, Game Night**, and many member program offerings. Have something to share (a workshop, performance, etc.?) Complete the survey and we'll add you to the lineup!
